MAINE MUNICIPAL BOND BANK

FINANCIAL APPLICATION FOR REVENUE BORROWERS

Types of Borrowers: This application is designed for the purpose of obtaining financial information from water, sewer and other districts.

WATER AND SEWER DISTRICTS: If the district or system debt is backed by a General Obligation pledge of the municipality or municipalities in the district, both district and municipal financial information will be required. Each municipality being served by the system must provide the financial information requested on Page 8.

Repayment Source: Loan applications and supporting financial information will be reviewed for evidence of a dedicated source of revenue that is sufficient to cover repayment of the proposed loan, plus all existing indebtedness and operating costs of the borrower. Where the dedicated source of repayment is anticipated to be an increase in existing user charges, please note that the approval of rates by the PUC must be in place prior to the execution of a binding loan agreement. **IT IS RECOMMENDED THAT RATE CASES BE FILED WITH THE MAINE PUBLIC UTILITIES COMMISSION AS SOON AS PRACTICABLE IN ORDER TO FACILITATE THE CLOSING OF THE LOAN IN ACCORDANCE WITH THE BORROWER'S TIMING NEEDS.**

Local Bond Counsel: Districts, units or municipalities interested in financing their construction, capital improvement, or acquisition projects through the Maine Municipal Bond Bank will need to hire local bond counsel. It is strongly recommended that a borrower hire local bond counsel before completing this Financial Application. Please go to our website at www.mmbb.com for a current list of approved bond counsel. An applicant may also call the Bond Bank to request the list.

Application Instructions: Line-by-line instructions to help you fill out the General Resolution Program application are available. To obtain the most current version of the Financial Application for Revenue Borrowers and Application Instructions, please visit our web site: www.mmbb.com. The application and instructions can be downloaded to your PC by using the Adobe Acrobat Reader.

Careful completion of the application will contribute to quick processing of your loan request. Please bring to our attention any additional information that is not disclosed in the Application or the supporting documentation. If you have any questions or need help completing the application form, please call Toni Reed at 1-800-821-1113 or 622-9386 (Augusta).

When you are applying for a loan please remember to:

1. Contact your local bond counsel and advise them of your intentions to borrow. Also, please list the name of the firm and name of bond counsel on your application.
2. Make sure you have local authorization to borrow as laid out in your charter, by-laws or state statutes.
3. Review our bond issue schedule to ensure you can meet all deadlines.
4. If you are refinancing debt, you will need to receive a payoff balance as of the closing date and that amount should equal the amount you are borrowing.
5. Also, if refinancing debt, describe on your application what the original purpose of the debt was used for.

6. Bids on all projects need to be received prior to pricing to ensure proper bond pricing amounts.
7. Please tell us if you are paying off a temporary BAN on your application.
8. Your loan will be priced as a level principal payment amortization if not otherwise specified.
9. For all water districts: apply and receive PUC approval prior to pricing bond as outlined on our bond issue schedule.

The undersigned Government Unit (the applicant) hereby requests the Maine Municipal Bond Bank (the Bank) to purchase the following described obligation of the applicant. *This application shall not constitute a contract or commitment to enter into a contract.*
